Sir:

Pursuant to 37 C.F.R. §1.97 and § 1.98, Applicants submit for consideration in the above-identified application the document listed on the attached Form PTO/SB/08a/b. The Examiner is requested to make this document of record.

Cite no. 1 listed on the attached Form PTO/SB/08a/b was cited in a Chinese Office Action mailed on September 5, 2008, directed to a counterpart foreign application and has not been previously cited. A certification under 37 C.F.R. § 1.97(e)(1) follows:

I hereby certify that this item of information was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement.

Applicants note to the Examiner that the above-referenced application is related to U.S. Application No. 10/590,225, which is also under his examination. During the telephone

conversation between the Examiner and the Applicants' representative on November 18, 2008, the Examiner kindly indicated that cite nos. 2 through 6 listed on the attached Form PTO/SB/08a/b had already been considered by the Examiner in the co-pending U.S. Application No. 10/590,225; therefore, no RCE is required in order for the references to be considered in this application.

This Information Disclosure Statement is submitted after mailing of a final Office Action or Notice of Allowance, but before payment of the issue fee. A Certification under 37 C.F.R. § 1.97(e) is provided above and the appropriate fee is submitted herewith.

Applicants would appreciate the Examiner initialing and returning the Form PTO/SB/08a/b, indicating that the information has been considered and made of record herein.

The information contained in this Information Disclosure Statement under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petition and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing **559502005300**.

Dated: November 20, 2008

Respectfully submitted,
